Spring 2019
To All Apple Festival Vendors

Dear Potential 2019 Vendors,

If you were with us last year, we would like to take this opportunity to thank you for participating in the 2018 Bloomfield Apple Festival. If you are new to our festival, we want to welcome you.

Enclosed you will find a copy of the 2019 Bloomfield Apple Festival Vendor Contract.

There are a few items that you should be aware of for the 2019 festival:

- All vendors must have a working fire extinguisher inside their booth or trailer. This is a demand of the Indiana State Fire Marshal's Office, and we must comply.
- No pets will be allowed in the park except for the Pet Parade and the petting zoo.
- Vehicles in the park: There will be absolutely no private or commercial vehicles allowed in the park at any time. The Apple Festival will provide some assistance with loading and unloading, and will have dollies available for your use during these times.
- Vendors must stay within their vendor sites except for space for their customers to eat.
- Vendors needing electricity should use a minimum of a 12- gauge unspliced extension cord.
- Craft vendors will not have to provide insurance this year. The Bloomfield Apple Festival will reimburse the Bloomfield Town Board for including insurance under an umbrella on their insurance.

Please take a few minutes to review the contract. To ensure your space at the 2019 Bloomfield Apple Festival, you must return the completed and signed contract, and send it, along with the appropriate fees to the address above.

If you have any questions, please call the numbers above.

We hope to see you at the Bloomfield Town Park the first weekend in October!

Sincerely,

Bloomfield Apple Festival Board Members:

Kris Jarman, Darla Chesnut, Judy Branstetter,
Jeff Schafer, David Dean, Matt Miller, Beth Robinette, Tasha Hudson,
Bryan Myers, Kevan Graves, Brock Miller
